Summer Fluoride Dental Program To Continue
District Health Department No. 1 announces that parents of 3 year olds, 2nd, 5th and 8th graders who wish to have their children's teeth treated with sodium fluoride in the summer dental program must make application immediately if they have not already done so. The program has been conducted in this health department area for the past several summers and will be done again during the summer months of July and August. Application must be made at this time in order that arrangements for the clinic might be made.
The use of sodium fluoride is harmless and is approved by all agencies having adequate information about the subject. It will prevent approximately 50% of dental cavities in children.
Children needing this treatment are the 3 year olds, the 2nd, 5th and 8th grade children. When the child is in the 2nd grade he has his new second teeth erupting; this child should be treated every three years thereafter because of new teeth coming in.
The treatment consists of a thorough cleaning and application of sodium fluoride at the first visit, followed by three more applications of fluoride. The series consists of four treatments. A minimum charge for the program is \$3.00.
Call the health department office if you are planning to have your child's teeth treated but haven't filled out the application blank.

St. Mary's Hold Mother - Daughter Breakfast

The mothers of St. Mary's Church were honored at the annual Mother and Daughter breakfast at St. Mary's Hall Sunday, May 12. A large group of mothers and daughters first attended mass at 8:30, occupying the front pews which were marked off with satin ribbon. The children's choir of St. Mary's school sang the high mass. The ladies received Holy Communion in a body.

They removed to St. Mary's Hall following the church services, to hear Fr. Joseph Sakowski give the blessing before breakfast. A menu of orange juice, ham, scrambled eggs, rolls and beverages was served by members of the Men's Club, at tables blooming with African violets, and tiny artificial flowers potted in styrofoam at each place.

Mrs. Richard Lovely, Ladies' Club president, opened the program with a welcoming address. Mrs. Carl H. Nielson, Jr., gave the toast to the daughters, responded to by her daughter, Jean, who gave the toast to the mothers. Mrs. Thomas Cassidy was honored with a potted plant as the oldest mother present. Mrs. Peter Stephan received one as the youngest mother present, while Mrs. William Harwood, with her 8 daughters present, was given a plant for having the most daughters. The program concluded with a benediction by Fr. Sakowski.

The committee in charge of the breakfast had Mrs. Leo Lovely and Mrs. Lawrence Hunter as co-chairmen, assisted by Mrs. Richard Lovely. One hundred fourteen ladies attended the breakfast, filling the hall to capacity.

CARD OF THANKS

To the People of Grayling: I would like to thank everyone for the nice hospitality that was shown me during my stay in your city this last winter. I first want to thank the H. S. basketball team for all of the enjoyable hours that I spent at their games.

I would also like to thank the Chamber of Commerce for helping me to have a good time. The hours that I spent with the Kiwanis Club and all of its members were well spent and every minute enjoyed.

Hunter's Dairy Bar was a swell place to lunch, and to all the school kids I want to say thanks for being so friendly. The television at the Blue Room in the hotel was a life saver to one who enjoys the programs. A large bunch of roses to Al and Jessie's restaurant where we spent many hours in relaxation and real good meals.

To the hospital for having such good nurses, thanks. In other words I would like to thank every one of Grayling for making my stay an eventful and enjoyable time. Yours until I return, George Crum, Ft. Belvoir, Virginia.

Bear Lake News

By M. D., the Roving Reporter

Mr. and Mrs. Hendricks of Kalamazoo, visited their son and daughter-in-law, Sox and Del, over the weekend.

The lady bear-hunters held a meeting at Dingman's bar Monday night with a very good turnout. One of the things everyone decided on was to have a public auction sale on July 14th to raise money for the party on the Manistee River at Camp Arrowhead. Anyone having anything to donate such as old furniture, clothing or jewelry, etc., please get in touch with a member or call Kalkaska - Alpine 8-4452, collect.

We were all so pleased to have Ella Symons from Ohio, call us during our meeting. She is one of our charter members and Ella, when you read this we want you to know the trout are biting on Bear Lake. Be seeing you soon. Lou and Nick from Douglas' Grocery store, had their children and two grandchildren up for Mother's Day.

New friends we met this weekend were Mr. and Mrs. Glen Raup's son, Bruce and family of Flint. For television repair and antenna service, call 5221. Corliss Stampify at Dick's Sport Shop.

Another nice Mother's Day present was a beautiful rainbow from Bear Lake. Thank you Bud, Harold and Earl.

Miniature cabin. Only one in the neighborhood, belongs to Skipper Newman with Big Boy as mascot.

Another scoop, Walt and Ida Scoop from Lake Orion, spent the weekend with the Tommy Thomas family on the Manistee River. Chuck and Lucille Foster were here working on their cabin this weekend.

Mr. and Mrs. Art Hagman of Lake Valley Resort, celebrated their 17th wedding anniversary. Fred Bromwell from Camp Arrowhead and Bert Dannenberg of Bert's Beauty Shop of Grayling are in here now with their party from Indiana and everyone is happy with catching their limit of trout from the Manistee River and Jim, who caught the most and the largest, can only say eh-eh.

Mrs. Pavey's grandson of Jackson, spent the weekend with her. Mr. James Barnhart is in the Grayling Hospital.

The mushrooms are still waiting for the warm sunshine. Sox and Del had dinner with Mr. and Mrs. Ed O'Mara.

Mr. and Mrs. Marion Alderice and Mrs. Earl Gibson were up at the Gibson cabin on Bear Lake for the weekend.

Mr. and Mrs. Carroll Hendricks Sr. and Sox and Del went to the Straits to see the new bridge. Now I will leave you with this little reminder.

There must be a lot of good left in some people because there has been so little good come from them so far.

Twin Bridges

By Mrs. Esther Horrick

Mr. and Mrs. George Olney and mother, Mrs. Snooks of Detroit, were up over the weekend.

Mr. and Mrs. Howard McCann of Detroit were up over the weekend.

The Hoffman family of Indiana are up for a few days.

The George Meybom cabin was well filled over the weekend.

Mr. and Mrs. Rooker of Saginaw were up for a couple of days. Mr. Paul Heldrick of Detroit was up to his cabin over the weekend at K. P. Lake.

Mr. Elmer Mundt, Fred Herick and Bud Bolmans were fishing over at Charlevoix one day last week and had a very good time as well as good luck.

Mrs. Spence of Saginaw and Mrs. Maud Jordan of Blue Island, Ill., were up to Bud Bolmans over the weekend. Mrs. Jordon Bud's

grandmother, is making an extended visit with the Bolmans.

A very good time was had at the stock shower for Mrs. Bolman last Thursday evening and she received many fine gifts for the expected arrival.

Mrs. Nussbaum of Flint, and her mother of Chicago, have spent the past week at their cabin and have been getting more. They sure have enjoyed the time here in getting around in their cute jeep.

1. Be sure your car is in good operating condition at all times.
2. Obey all traffic laws.
3. In planning a trip, don't schedule more miles per day than you can comfortably and safely drive.
4. On long drives, stop now and then to rest and relax.
5. Never pass on a hill.
6. Courtesy and patience are two very necessary ingredients of safe driving.
7. Don't follow too closely the car ahead of you.
8. Accident statistics continue to rate speed as the number one cause of automobile accidents - so keep it down.
